

Minutes of TCFOOTD Board meeting, Wednesday, October 12, 2016

Present at 7 pm were board members Tom, Vicki, Larry, Ann, Margaret, Mary, Helen, and John. Haven arrived later.

Finances: Our current balance is \$2017. Tom is leaving the post of treasurer after five years. The annual budget is generally between \$11,000 and \$12,000. Our balance goes up and down, but we usually break even by the end—up or down by just a few hundred dollars. Tom pays for the website by automatic debit from his card, so the new treasurer will reimburse him.

Upcoming Membership Meeting: Ann will get four pizzas for the meeting. Haven will set up the dance rack. Larry will introduce the board to non-members and ask if anyone is willing to join. Suggestions for possible recruits include Walker, Ryan, and Adam.

Scheduling Report: The schedule for the first six months of next year is set with the Senior Center. We will have two February dances. Vicki is still working on scheduling callers. She has the chart with results from the Survey Monkey she sent out, which she will share with us by email. We need to decide if we want two dances in the summer months.

Special dances: The Saturday dance at the Warehouse we helped sponsor had happy young attenders.

We discussed the possibility of a techno dance. We are interested but don't know who might be available locally to be the DJ or the caller. Most of those involved in the techno dance at the Folk Festival were from Gainesville. Eric Harris might provide information. Mary will inquire. The appropriate venue might be the Junction or the Warehouse or the Legion.

Upcoming dances: Mary is the contact for the Florida Mountaineers; Andrea or Steve is the contact for In Cahoots.
